

Charles River Dog Training Club, Show & Go, May 22, 2010

Preliminary Run Order

This listing includes all entries received by May 17. It is preliminary because entries taken on the day of the match may make it possible to improve the order – especially for dog and handler teams who are running two times in the higher level classes. We are setting up three rings for obedience, so judging of all classes will begin at 11:00.
